

Star

COLLEZIONE 2013
2013 COLLECTION

design by
Dmitry Kozinenko

Se ne può riassumere l'essenza con una parola: movimento. Infatti, sebbene "la stella" sia in posizione statica, sembra che si muova verso mondi lontani.

Its essence can be captured with one word: movement. Indeed, even though "the star" is in a static position, it seems to be moving to far off lands.
